ARKANSAS STATE UNIVERSITY COLLEGE OF NURSING AND HEALTH PROFESSIONS

Limited X-Ray Machine Operator Program

APPLICATION FOR ADMISSION

Thank you for your interest in A-State's Limited X-ray Machine Operator (LXMO) program. Please be sure that you have completed every step below, and that you have enclosed all documents before submitting your application. Students applying to the LXMO program must also apply for admission to Arkansas State University. Contact the office of admissions and records, P. O. Box 1630, State University (Jonesboro), AR 72467 or phone (870) 972-3024. All applicants must be 18 years of age or older by August 1, 2021. **Please note: You may only apply to the program a total of 3 times**.

- o 1. Apply for admission to Arkansas State University (Jonesboro Campus)
- o 2. Print or request transcript(s) from each institution attended since high school. You must include transcripts from all colleges, universities, schools, or other institutions attended including A-State Jonesboro and other A-State campuses. Do not send transcripts separately to the department. Unofficial transcripts are accepted.
- o 3. Complete & sign the application.
- o 4. Submit as one packet: the application, all transcripts, statement of purpose, & shadowing form.

DEADLINE FOR APPLICATIONS:

. .

Application is for admission to the professional program beginning in the Fall semester. Application material must be sent electronically to mirs@astate.edu by 5:00 p.m. May 31st. NO Paper applications will be accepted.

Applications are reviewed after the application deadline and are not reviewed on a first come, first served basis. After applications are received, top applicants are determined by current career (extra points for those already working in a health profession). The top 20 candidates will be interviewed. Candidates with the highest-ranking total scores will be invited to join the program. Class size is 14 students.

Applications must include a statement of purpose. This is a short statement introducing yourself, interests, and motivations for pursuing this degree. Summarize previous degrees/careers and your intentions with completing this program. Explain how this program will advance your career. Include any experience in the health professions and what you know about radiologic sciences (especially, limited scope of practice radiography). This statement should not exceed 1 page.
