

## Export Controls Checklist for Research Projects

**Name:**

**Department:**

**Project Title:**

*Please use this checklist to assist in determining whether or not Export Controls regulations apply to your project. Must answer all questions*

Does this project:	Yes	No
Originate in the high-risk areas of areas of <b>Engineering, Space Sciences, Computer Sciences, Biology, Biomedical, Energy, Agricultural Development, Chemistry, and Physics</b>		
Involve research with <b>aircraft, military training equipment, protective personnel equipment, plasma technology, spacecraft systems and equipment, toxins, nuclear design</b> , or other technologies with substantial military or economic application? (ITAR or EAR)		
Involve <b>materials processing, electronics, computers, source and object codes for encryption, software, telecommunications, information security, lasers, chemicals, microorganisms</b> , or any item with military or economic use? (EAR)		
Contains words like <b>"development", "applied use", or "fabrication"</b> ?		
Involve collaboration with foreign nationals from (deemed export) or travel to an embargoed or high risk country? See country list provided at the following links: <a href="http://www.treasury.gov/resource-center/sanctions/Programs/Pages/Programs.aspx">http://www.treasury.gov/resource-center/sanctions/Programs/Pages/Programs.aspx</a> <a href="http://www.pmddtc.state.gov/embargoed_countries/index.html">http://www.pmddtc.state.gov/embargoed_countries/index.html</a>		
<b>Does this project have contractual agreement regarding:</b>		
Restrictions on foreign national participation?		
Restriction publication of results?		
Sponsor or institutional pre-approval of results?		
Patentability of intellectual property?		
Reference to proprietary information?		
Indications from the sponsor or institution that export controlled information will be furnished for use in the research?		

If you answered "YES" to any of the questions above, please contact Kimberly Marshall, [kmarshall@astate.edu](mailto:kmarshall@astate.edu) or call (870)680-8568 for export controls review.
